Salary: **\$68,692 - \$110,297 (\$66,975 – \$107,540)**

Closing Date: **Open Until Filled**

Position Duties: Information Technology & Communications Division is currently recruiting for a Program Manager Senior II, as the Chief Network Officer. This position manages and directs mission critical operations, infrastructure, and essential support services 24 hours a day, 365 days a year for the Department of Public Safety and Correctional Services (DPSCS), criminal justice entities and law enforcement agencies and Maryland citizens. This position supports and interacts directly with local, state and federal law enforcement and criminal justices departments. This position is responsible for the management of DPSCS network operations and projects which includes the following business units:

- Network and Telecommunication Group
- Distributed Server Group
- Data Center Operations
- Network Security

This position plans, manages, and coordinates projects, operations, vendors, and staff within the DPSCS enterprise network business units in accordance with applicable laws, rules, regulations, policies and procedures.

Minimum Qualifications:

Education: A bachelor's degree from an accredited college or university.

Experience:

Three or more years experience in the following: designing, implementing, and maintaining secured network and telecommunications infrastructures based on best industry practices; designing, implementing, and maintaining distributed server environments based on best industry practices; managing technical support

staff; developing and delivering multiple projects within scope, timeframe, and budget.

Selective Qualification:

- Three or more years experience with The State of Maryland Procurement Processes.
- Project Management Professional (PMP) Certification.

Selection Process:

Mail State Application (MS100 Form) and resume to: Department of Public Safety & Correctional Services, Information Technology & Communications Division
P.O. Box 5743, Pikesville, MD 21282-5743. ATTN: Barbara D. Madden. You may obtain an MS100 (State application) from <http://www.dbm.md.gov/>. or call 410-585-3112. When submitting your application and resume please use reference number **013263** on applications.
